

GOD IS LIKE

Joe Pinson, 1975

1. God is like a fath-er who loves me; God is like a moth-er who cares.

God is like a sis-ter; God is like a broth-er. God is part of peo-ple ev'-ry-

where.

The musical score is written in 4/4 time. The first system includes chords C, G7, Dm, G7, and C. The second system includes chords A7, Dm, G7, C, F, C/G, and G. The third system includes chords F/C and C.

2. God is like a drum beating rhythm;
God is like a bell ringing clear.
God is like a new song;
God is like an old song.
God is part of everything we hear.

4. God is like the ^{flowers in} beauty of springtime;
God is like the leaves on the tree.
God is like a picture;
God is like a rainbow.
God is part of everything we see.

3. God is like the sunshine that warms us;
God is like the cold winds that blow.
God is like the summer;
God is like the winter.
God is part of everything we know.

Any or all of the verses in this song may lend themselves to the use of pictures or signs which describe the various elements.
