

Thanks and Praise

Joe Pinson

1. Time to pray, Time to say, Thank you, God, Thank you, God.

For our loved ones far and near, For our friends and

neighbors here. Thank you, God. Thank you, God.

2. Time to sing, Time to bring, Praise to God, Praise to God.
In the night and in the day, Everything we do and say.
Praise to God, Praise to God.
3. Time to live, Time to give all to God, all to God.
When the needy seek your door, give until you have no more.
All to God, All to God.
